Explaining the "Due Process Book" procedures

3.3d Our 5th, 6th, 7th & 8th Amendment- Due Process " Protections

- **A) Intro the "WHY THIS WAY" instructions.**
 - 1) We will do a PARTNER activity. Not 3, Not 4. (though I do have a way for it to work with 3 ppl if we have an odd #...)
 - 2) Each Partner will have an assigned role AT ALL TIMES and they will "RALLY" or "ROTATE" those roles.
 - 3) It is CRITICAL that you don't complete the assignment the "Wrong Way": Partner 1 does her half then Partner 2 does his half. YOU ONLY LEARN HALF THAT WAY!!!
 - 4) PARTNER 1 will LEARN (Read WTP Text), then TEACH (tell/talk) PARTNER 2, who will LEARN (write it down on the shared paper). This "Right Way" = EACH PERSON DOES HALF BUT LEARNS ALL!!!

Demonstrating how to fill in the boxes

3.3d Our 5th, 6th, 7th & 8th Amendment- Due Process " Protections

- **B) Intro the "HERE IS AN EXAMPLE" instructions.**
 - 1) We have already LEARNED two of the "Due Process" Protections.
 - A) Search & Seizure B) Self-Incrimination
 - 2) For each "Term"/ "Concept" that is a Due Process Protection, the partners will do 4 things: DEFINE the term, QUOTE the Bill of Rights, DESCRIBE why that protection is important and DRAW a symbol, picture, sketch or a diagram (shows understanding).
